- This training groups list has been revised by the Club Committee at the AGM and will be reviewed and updated by the Committee on a bi-monthly basis.
- Riders are to participate in their allocated training group only, unless in a transition phase. This is in the interests of rider safety, to ensure that riders train in their appropriate group and is in the interests of fairness, to ensure that everyone gets equal access to training sessions.
- Newcomers will be allocated to a training group, as appropriate, by Committee members present.
