## OFF TRACK REVIEW

The season got off to a bad start with the sad death of long serving club volunteer, Ron Hack.

Several changes were made to the Committee, with some new faces coming on board. Regular monthly club committee meetings were held during the year, but time spent resolving conflicts within the club throughout the year inevitably limited time available to drive the club forward. Brian Smith took over as Track Manager and along with the new Junior Team Manager, Brian Dickenson, worked hard in maintaining the club's facilities. Unfortunately, many of the facilities, in particular the Refreshments and Bike Cabins, are in dire need of replacing. Old and second hand items can only be repaired and patched up so often. We have now been waiting for nearly 5 years for our planned Facilities Re-development and the lack of funding has been a source of considerable disappointment to all in the club. The lack of funding from British Cycling and Wigan Council is disappointing, particularly in view of the millions spent in other cycling disciplines and on other sports clubs in the Borough. Once again, the absence of a Development Officer hasn't helped matters, with Paul Whitelegg resigning soon after being appointed last winter, along with Joanne Whitelegg, the Assistant Treasurer.

We are currently awaiting the outcome of a bid for £127,000 to Sport England's Community Investment Fund. We applied 12 months ago, but were told that the fund was fully spent up. However, not all funds allocated were used, so our application is currently being considered. We also applied to British Cycling in March for funding under the Whole Sport Plan, but were told that we had to secure match funding for the project. We are still awaiting details on their offer of assistance with that application.

We retained three club sponsors, whose support was welcome, but income received was down on previous years. Club finances are at their lowest level for many years, with insufficient income generated during the year to compensate for the extortionate legal fees paid to Wigan Council last winter.

The website continues to be a valuable information and promotional portal for the club. Plenty of professional standard press releases were issued and press coverage was much improved in the Leigh press, as well as increased internet coverage and a direct link from the Leigh Journal website. The club featured in an excellent four page article in Cycling Weekly magazine, when the Halfords Bikehut professional road racing team, led by former World Madison Champion, Rob Hayles, enjoyed a training session at Gin Pit.

The Club improved its links with Wigan Leisure & Culture Trust and Leigh Sports Trust, with Mike Hack assisting WLCT as the Cycling Team Manager for Team Wigan at the Gt. Manchester Champions Challenge. The Club finished the season with a record level of 60 club members (38 registered riders, 10 club night casual riders and 12 officials/volunteers) and continued to be a well organised set-up.

The Club successfully promoted the Women's British Club Championship and looks forward to promoting the British Individual Final in 2010, along with several other major meetings.

## ON TRACK REVIEW

A large squad of riders was assembled by Team Manager Mike Hack for 1st team matches. Once again, the club faced the issue of many riders missing matches. Despite racing only 12 Northern League matches, 20 riders were used for the 1st team, by far the most of any team in the league. The fact that A & T was not the first claim or priority club for several riders was reflected in their availability and attitude to the club. After a great opening day win at the defending champions, Hull, we suffered several heavy defeats in mid season when the top end riders were absent. A late run of wins saw the club finish 4th out of 7 teams, for the second successive season. Dariusz Pilas topped the Northern League averages.

The team challenged to retain the Manchester League Division 1 title, before falling away in the last two rounds to finish 3rd out of 4 teams. A & T fielded a Women's team for the first time and finished 4th out of 6 teams in the Women's British Club Championship at Gin Pit.

The junior team enjoyed good results. A & T won the Manchester League Division 2 title, shocking Stockport to win the last round at Stockport and take the league title by 3 race points! The team finished 2nd in the Northern Junior League and 2nd in the Northern Regional Group of the British Youth & Junior League series. 11 A & T riders qualified for the national rounds of the BYJL, with 9 riders competing in each round. There were individual successes with Adam Phillips' victory in the U-12 British Grand Prix series and Adam Turnbull taking 3rd place in the U-8 series. Other individual successes saw Adam Watson win four U-10 competitions - Individual Finals and Grand Prix series in both the Northern League and Manchester League. Luke Jamson won the Northern U-19 Grand Prix series, with Ben Dickenson winning the Manchester League U-19 Grand Prix series. The team finished 3rd out of 5 teams in the Northern Combination League. It was a good effort by Brian Dickenson and Louise Watson in organising the junior team, with thanks to the riders' parents and grandparents for their support with transportation. A far cry from a decade ago!

The club continued to benefit from its ongoing recruitment initiatives, as numbers continued to rise at the Tuesday night junior training sessions. Gary Nuttall remained as coach, but work commitments restricted his availability, whilst Mike Hack took the Thursday night senior training sessions.

Joel Partington recorded major successes in other cycling disciplines, by winning four national titles - U-12 National Omnium Champion, U-12 National Omnium series, U-12 English Schools Cycling Association (ESCA) Hard Track Champion, U-12 ESCA Grass Track Champion.

In summary, the season repeated that of many previous seasons at Gin Pit -  
plenty of new riders as a result of the hard work at recruiting riders -  
good turn outs and successes at junior levels -  
plenty of senior riders recruited but under achieved results,  
due to insufficient commitment on the part of the senior riders.
